

Response HG™

A beautiful, high-performance flooring system ideal for school gyms, private schools, and church activity rooms, Response HG (High Gloss) features SportGuard™ advanced surface technology, a glossy and durable polyurethane top coat that extends the life and look for years of service.

Response HG can be retrofitted over most existing surfaces, including VCT/VAT and concrete, to provide resilience, safety and performance that requires no adhesives or anchors. Response HG is the only product available that combines the beauty and durability of a urethane coating with the ease and safety of modular flooring – the SportGuard advantage, only from Sport Court.®
