

# SLAMSYSTEMS™

## Playability

Sport Court® SlamSystems™ feature ½" tempered glass backboards, with a professional flex rim, giving you pro-grade playability and rebound.

## Design

An in ground system with wide-stance support arms brings stability to your backboard while creating a world-class arena feel for your court. Adjustable heights for your growing athlete.

## Longevity

Specialized powder-coated steel provides superior corrosion protection for long-lasting and durable use year after year.

## Safe

Sturdy construction with pole and backboard pads to keep athletes of all ages safe during play.
